REVENUE MEMORANDUM ORDER NO. 40-2004

SUBJECT: MODIFIED STANDARD PROCEDURES IN HANDLING TAXPAYERS’ REQUESTS FOR TRANSFER OF REGISTRATION

TO: All Revenue Officials, Employees and Others Concerned

I. BACKGROUND

It has been identified and observed that there has been unreasonable delay in the processing of requests for registration transfers by computerized and non-computerized Revenue District Offices (RDOs), thus, the need to address this issue becomes timely and necessary.

II. OBJECTIVES

1. To provide standard procedures in handling taxpayer’s request for transfer of registration thereby reducing the required processing time at the RDO level.

2. To define the respective duties and responsibilities of concerned offices/units for purposes of pinpointing responsibilities.

3. To deliver fast, efficient and quality service to taxpayers in order to improve and enhance taxpayer satisfaction.

III. DEFINITION OF TERMS

1. **Transfer Related Docket (TRD).** Refers to the compilation of transfer related input form, the list of open Case Monitoring System (CMS) cases and taxpayers ledgers for all tax types for the last three (3) consecutive taxable years and other documentary requirements submitted by a taxpayer. This will also include any and all pending request of taxpayer on application to use Computerized Accounting System (CAS) or Components thereof pursuant to RMO 29-2002 and Application for Authority to Print (ATP) pursuant to RMO 28-2002.

2. **Transfer Commitment Form (TCF).** Refers to the document submitted by a taxpayer that all audit/investigation of all pending and/or open cases, if any, whether audit (AUD) of open related case/s and settlement of Accounts Receivable (AR)/returns Compliance System (RCS) case/s and other pending cases/application from the old/previous RDO shall be continued/settled in the new RDO.
3. **Home RDO.** Revenue District Office where taxpayer is actually registered per record appearing in ITS Registration Database.

4. **Old/Previous RDO.** Revenue District Office where taxpayer was previously registered after approval of request for transfer of registration records.

5. **New RDO.** Revenue District Office where taxpayer was transferred and required to transact business.

IV. **POLICIES**

1. Taxpayer Service Delivery Counter shall be established in each RDO and a Front Desk Officer (FDO) shall be designated. The FDO shall manage the said counter, assume the responsibilities of classifying taxpayer transactions and assist them in all their needs.

2. Uniform procedures on handling taxpayers’ requests for transfer of registration to another RDO shall be followed under the following scenarios:
   
   a) From computerized to another computerized RDO
   b) From computerized to non-computerized RDO
   c) From non-computerized to computerized RDO
   d) From non-computerized to another non-computerized RDO

3. Each Revenue District Officer shall designate/maintain Front Desk Officers (FDOs), Receiving Officers (ROs), Designated Officers (DOs) and Fast Lane Encoders (FLEs). The RDO shall make use of available personnel in their district.

Open cases from the old/previous RDO shall be monitored by the following offices depending on the type of case/s:

<table>
<thead>
<tr>
<th>Office Concerned</th>
<th>Type of case/s</th>
</tr>
</thead>
<tbody>
<tr>
<td>Assessment Service (Audit Information, Tax Exemption and Incentives Division)</td>
<td>All open Audit (AUD)/Tax Credit or Refund (TCR)/Letter of Notice (LN) cases (manual or systems generated cases)</td>
</tr>
<tr>
<td>Collection Service (Collection Programs Division)</td>
<td>All Accounts Receivable (AR), Returns Compliance System (RCS) cases (manual or systems generated cases)</td>
</tr>
</tbody>
</table>

An operations memorandum containing the procedures on monitoring the open cases shall be prepared by the above-mentioned offices to be signed and approved by the Deputy Commissioner –Operations Group.

5. All suspended Collection & Bank Reconciliation System (CBR) and Returns Processing System (RPS) cases shall be resolved prior to transfer of registration of a taxpayer to another RDO.
6. Taxpayers who transferred at least three (3) times in two (2) consecutive years shall be categorized as frequently transferred taxpayers. They shall be detected thru manual monitoring based on Systems Generated Report of List of Transferred Taxpayer (Annex “H”) by RDC. Frequently transferred taxpayer shall be subject to audit and investigation by the National Investigation Division to establish the validity of request for transfer of registration.

7. A record of taxpayer’s system generated cases that were tagged due to taxpayers’ transfer of registration shall be maintained by Revenue Data Center (RDC).

8. Any pending request of a taxpayer requesting for transfer of registration on Application to use Computerized Accounting system (CAS) or Components thereof pursuant to RMO 29-2002 and Application for Authority to Print (ATP) pursuant to RMO 28-2002 shall be transferred to the new RDO together with the Transfer Related Docket (TRD).

9. The processing of a taxpayer’s request for Transfer of Registration should be completed within fifteen (15) days from date of request.

10. The Old RDO shall be responsible in the manual transfer of the Transfer Related Docket (TRD) and other documents relative to the transfer of registration of the taxpayer.

V. PROCEDURES

I. SCENARIO 1: TRANSFERS FROM COMPUTERIZED RDO TO ANOTHER COMPUTERIZED RDO

A. Old/Previous Computerized RDO

1. Processing of Request for Transfer

1.1 Front Desk Officer (FDO)

a) Assign Priority Number (PN) (Annex “A”) in duplicate copies and distribute the original PN to taxpayers requesting for transfer of registration;

b) Call the PN of the taxpayer to be served to ensure that “first come first serve basis” is strictly observed and politely request the taxpayer to fill up the Verification Slip (Annex “B”);

c) Receive the duly accomplished Verification Slip from the taxpayer;

d) Verify the taxpayer’s existence in the ITS Database and accomplish the appropriate portion of Verification Slip. If the system is not available, follow specific procedures in handling transfers during systems non-availability (refer to Scenario I.A (2) hereof);
d.1 If the taxpayer is not yet registered in the ITS, instruct him to proceed directly to concerned RDO for registration purposes; or

d.2 If the taxpayer is registered in the ITS, ensure that the taxpayer’s REG status is “Active” in the RDO. Otherwise, refer taxpayer to RDO where he is currently registered;

e) Receive the duly accomplished Application for Registration Information Update (BIR Form 1905) from the taxpayer in triplicate;

f) Ascertain that the data contained in the BIR Form 1905 are accurate and all the requirements listed in the Checklist of Requirements (Annex “C”) are completely attached. Otherwise, brief the taxpayer on what to do and return documents for compliance. In no case shall the Front Desk Officer (FDO) accept an application if the requirements are not complete;

g) Attach the PN to the documents submitted by the taxpayer and furnish him with the duplicate PN as “claim stub” before forwarding the documents to the Receiving Officer;

h) Receive triplicate copy of duly approved BIR Form 1905, triplicate copy of Transfer Commitment Form (TCF) {Annex “F”} from the Chief, TSS/Designated Officer (DO);

i) Call the taxpayer’s priority number and explain to him the notations made by the Chief, TSS/DO if any, in the approved BIR Form 1905;

j) Maintain a record of taxpayers requesting for transfer in a logbook which shall be signed received by the taxpayer upon release of the triplicate copy of approved BIR Form 1905, triplicate copy of TCF together with the list of requirements needed by the new RDO; and

k) Politely request the taxpayer to fill up Service Delivery Feedback Form (Annex “D”).

1.2 Receiving Officer (RO)

a) Receive BIR Form 1905 and all attachments from FDO;

b) Stamp “RECEIVED” BIR Form 1905 including all the attachments, indicate current date and affix initial;

c) Assign Document Locator Number (DLN); and

d) Forward submitted documents to Document Processing Section for further processing.
1.3 Document Processing Section (DPS)

a) Receive BIR Form 1905 including all the required attachments from the Receiving Officer;

b) Verify existing RPS case/s (e.g. suspended/un-encoded returns, etc.) if any, and accomplish appropriate portion of Verification Slip (Annex B);

   b.1 If there is no existing RPS case, forward submitted documents to Collection Section for further processing;

   b.2 If there is existing RPS case/s, require taxpayer to submit necessary documents and resolve existing RPS case/s then forward submitted documents to Collection Section for further processing.

1.4 Collection Section (CS)

a) Receive BIR Form 1905 including all the required attachments from the Document Processing Section;

b) Verify existing CBR case/s (e.g. suspended/un-encoded payments, etc.) if any, and accomplish appropriate portion of Verification Slip (Annex B);

   b.1 If there is no existing CBR case, forward submitted documents to the Chief, Taxpayer Service Section/Designated Officer for further processing.

   b.2 If there is existing CBR case/s, require taxpayer to submit necessary documents and resolve existing CBR case/s then forward to the Chief TSS/DO for further processing.

1.5 Chief, Taxpayer Service Section (TSS)/Designated Officer (DO)

a) Receive BIR Form 1905 including all the required attachments from the Receiving Officer;

b) Review submitted documents and verify existence of CMS (AUD/TCR/LN/AR/RCS) cases on-line and from other manual records (e.g. excel files) being maintained in the RDO. Accomplish appropriate portion of Verification Slip (Annex B);

   b.1 If there is no existing CMS case and after verification from DPS and CS that there is no pending RPS and CBR case, effect “electronic transfer” of REG records;

   b.2 If there is an existing CMS case, print on-line the List of Open CMS cases in duplicate copies and Taxpayer’s Ledger in duplicate copies for all tax types for the last three (3) taxable years which shall form part of the Transfer Related Docket (TRD) and effect the “electronic transfer” of REG records;
b.2.1 Require taxpayer to accomplish TCF in triplicate copies. Receive the properly accomplished TCF in triplicate;

b.2.2 Inform the taxpayer that the TRD of the case (AUD/TCR/LN/AR/RCS) shall be forwarded to the new RDO within five (5) working days from date of approval of BIR Form 1905 for the latter to pursue audit/collection thereof. Forward to the concerned Revenue Officer (Assessment – for AUD/TCR/LN or Collection – AR/RCS case whichever is applicable), duplicate copy of Taxpayer’s ledger, duplicate copy of the list of Open CMS cases to be attached to the taxpayer’s docket following the operations memorandum for taxpayer’s registration transfer;

b.2.3 Attach printed original copy of the list/s of open CMS case/s, original copy of taxpayer’s ledger and original copy of TCF to the TRD;

c) Determine if the taxpayer is transferring within or across RDCs:

c.1 If the taxpayer is transferring within RDC, stamp BIR Form 1905 with “Your transfer request has been complied. Start transacting with BIR in your new RDO”;

c.2 If the taxpayer is transferring across RDCs, stamp BIR Form 1905 with “You will be notified of the Status of your transfer request within three (3) working days or inquire directly from the new RDO thru Tel. No._________”;

d) Stamp “APPROVED FOR TRANSFER” (as shown in the sample layout) BIR Form 1905 and affix signature to signify approval;

Note: Refer to No. 3 of Annex “I” for the sample layout of Rubber Stamps.

e) Forward triplicate copy of duly approved BIR Form 1905 and triplicate copy of TCF to FDO for release to the concerned taxpayer; and

f) Forward the TRD together with its attachments to the new RDO within five (5) working days from date of approval of BIR Form 1905 following herein prescribed procedures under Scenario 1 A (3).

2. Handling of transfers during systems non-availability

2.1 TSS – Front Desk Officer (FDO)

a) Inform taxpayer that his application will be processed but the electronic transfer on-line cannot be effected due to systems non-availability;
b) Receive the duly accomplished Application for Registration Information Update (BIR Form 1905) together with its required attachments from the taxpayer in triplicate;

c) Ascertained that the data contained in the BIR Form 1905 are accurate and all the requirements listed in Annex “C” are completely attached. Otherwise, brief the taxpayer on what to do and return documents for compliance. In no case shall the Front Desk Officer accept an application if the requirements are not complete;

d) Stamp in BIR Form 1905 “System is Not Available” and indicate contact person, telephone no., date of receipt and affix appropriate initials;

e) In case the taxpayer has an open/pending case, require him to accomplish the Transfer Commitment Form (TCF) in triplicate. Receive the properly accomplished TCF in triplicate;

f) Attach the Priority Number to the documents submitted by the taxpayer and furnish him with the duplicate Priority Number as “claim stub” before forwarding the documents to the Receiving Officer for further appropriate action;

g) Forward application documents to RO for manual assignment of Document Locator Number (DLN);

h) Receive duly approved triplicate copy of BIR Form 1905 and triplicate copy of TCF from the Chief, TSS/DO;

i) Call the taxpayer’s priority number and remind him/her on the notations made by the Chief, TSS/DO in the approved BIR form 1905;

j) Release the triplicate copy of BIR Form 1905 to the taxpayer together with the list of requirements needed by the new RDO. The duplicate copy of the duly approved BIR Form 1905 shall be forwarded to the Chief, TSS/DO;

k) Maintain a record of taxpayers requesting for transfer in a logbook which shall be signed received by the taxpayer upon release of the triplicate copy of the approved BIR Form 1905, triplicate copy of TCF together with the list of requirements needed by the new RDO; and

l) Politely request the taxpayer to fill up Service Delivery Feedback Form (Annex “D”).

g) Send/transmit duly approved BIR Form 1905 thru fax immediately to Systems Operations Division (SOD) for update of taxpayer information in NO Database; and

h) Forward the TRD composed of transfer related docket input form, original copy of approved BIR Form 1905, TCF and other documentary requirements submitted by the taxpayer to the new RDO within five (5) working days from release of the approved BIR Form 1905 following the herein prescribed procedures under Scenario 1A(3).

B. System Operations Division

1. Receive from the Old Non-Computerized RDO the approved BIR Form 1905; and

2. Update/Upload the taxpayer’s information in the NO Database within three (3) days from receipt of the approved BIR Form 1905.

C. New Computerized RDO

1. Processing of Request for Transfer

1.1 TSS - Front Desk Officer (FDO)

a) Assign Priority Number (PN) in duplicate copies and distribute the original PN to taxpayer requesting for transfer of registration;
b) Call the PN of the taxpayer that will be served to ensure that “first come first serve basis” is strictly observed;

c) Politely request the taxpayer to fill up Verification Slip Form (Annex B);

d) Receive duly approved triplicate copy of BIR Form 1905 from the taxpayer and ascertain that the data contained in application form are accurate and all the requirements listed in Annex “C” are attached to BIR Form 1905. If the requirements are not complete, brief the taxpayer on what to do and return documents for compliance. In no case shall the FDO accept an application if the requirements are not complete;

e) Process the documents submitted by checking system’s availability. 
   If the system is not available, follow specific procedures in handling transfer request during systems non-availability [Refer to Scenario 1 B(2)];

f) Verify taxpayer’s existence in the new RDO through RDC Database. If the taxpayer does not exist in the RDC Database, verify its existence in the NO Database. If the taxpayer does not exist, inform him of the findings and brief him on how to undergo TRU procedures. However, if the taxpayer has an existing approved BIR Form 1905, verify the authenticity of the approval from the previous RDO;

g) Ensure that the taxpayer's status in the new RDO is "Active". Otherwise, request thru RDC Helpdesk concerned for data loading if needed;

h) Attach the PN to the documents submitted by the taxpayer and furnish him with the duplicate PN as “claim stub” before forwarding the documents to the Receiving Officer for further appropriate action;
