REVENUE MEMORANDUM ORDER NO. 7-2004

SUBJECT: CENTENNIAL TAXPAYERS RECOGNITION PROGRAM (CTRP)

TO: All Taxpayers and Revenue Officer Employees and Others Concerned

I. BACKGROUND

For calendar year 2004, the Bureau of Internal Revenue (the Bureau) has been tasked a revenue goal of P477 Billion which is P52 Billion more than actual collections in 2003. This means that overall collections must grow 12% or 4 percentage points more than the 8% growth realized in 2003.

While the officials and personnel of the Bureau are fully committed to the attainment of this goal and are prepared to undertake every measure towards this end, it is only when taxpayers themselves increase their actual tax payments by even bigger percentages can this revenue target be achieved.

There have been previous programs whereby taxpayers helped in the attainment of the mandated collection growth rate of BIR. On the occasion of the Centennial Year of the Bureau, a Centennial Taxpayers Recognition Program, or CTRP, is being implemented, the mechanics of which are provided for in this Order.

II. ENTITLEMENTS OF CENTENNIAL TAXPAYERS

Centennial taxpayers will be honored during the Centennial Anniversary Celebration of the Bureau of Internal Revenue on August 1, 2004 and listed in an Honor Roll to be published in a national newspaper as well as be given the following benefits:

1. Centennial Taxpayer’s Trophy

2. A Centennial Honor Taxpayer’s Card which initially will entitle the taxpayer honored and special attention in any official transaction with BIR or DOF office. The benefits of the card shall be grown with the participation of other donor establishments and agencies to the program.
3. Priority availment/extension of the various E-Services such as Electronic Filing and Payment Systems, E-Submission and E-Payee.

The Top Centennial Taxpayers, weighted or those with the highest weighted score for percentage increase and absolute peso amount increase in tax payment, drawn from all the Centennial Taxpayers shall in addition to the above listed honors and benefits be accorded the protection of last priority in audit and investigation for taxable calendar year 2003 for all tax payments which may only be undertaken upon careful evaluation and authorization by the Commissioner of the BIR.

III. WHO CAN VIE FOR THE CENTENNIAL TAXPAYER AWARD

All corporations following the calendar year of reporting (those following fiscal year of reporting shall be covered by a separate issuance) and all individuals engaged in business or are considered as mixed income earners can vie for the CTRP under this Order.
